DATE CHANGE

The public is invited to the second walkthrough of Miller School to hear and see information about the proposed bond. The walkthrough will be on Wednesday, October 18 from 6:00-7:30 pm.

We are still looking for additional staff including a music teacher, a special education teacher, and special education ed techs. Please see rsu40.org or contact us for more information.

From the Health Office

Hello all! DID YOU KNOW?.....

General Information: Anyone can get head lice. Head lice are very small brownish-colored insects that live on the head. They are less than 1/8" long, about this size [--]. They lay eggs (nits) close to the scalp. The eggs are tiny (size of a tip of a small needle) and gray or white in color.

Symptoms: Itching of the head and neck. Look for crawling lice in the hair, eggs (nits) glued to the hair shafts (often found behind the ears and at back of neck), and scratch marks on the head or back of the neck at the hairline. If your child is infested with lice, it will take 7-10 days from when the eggs are laid until they hatch.

Spread: By head-to-head contact. Lice do not jump or fly; they crawl and can fall off the head. Head lice do not live longer than 48 hours off the head. They only lay their eggs while on the head. Lice do not spread to or from pets.

Contagious Period: Until treated with a lice-killing product.

Prevention:

Never share hair grooming items or hair accessories (barrettes, combs, brushes, etc.) Clean all hair items by soaking in the lice treatment product for 10 minutes or cleaning with hot, soapy or boiling water for 5 minutes.

Never share towels, bedding, clothing, hats, or headgear.

Check your child's head every month. If one person in the home has head lice, others should be checked too. Sleepovers are a common place for head lice to spread. Check your child's head after a sleepover and wash all bedding brought home from the sleepover.

Vacuum carpets, upholstered furniture, mattresses, and seats in the car(s) thoroughly.

Wash clothing worn in the last 3 days (e.g., jackets, hats, scarves, pajamas) bedding, and towels in hot water and dry in a hot dryer for at least 20 minutes before using again.

Clothing, stuffed toys, linens, or backpacks that cannot be washed or dried can be dry cleaned or sealed in plastic for 2 weeks.
