School Budget Update

Our district budget is a crucial part of ensuring we can provide the best possible education and resources for our students. Meetings of the RSU40 Budget Committee offer an opportunity for our community to engage in discussions about how we allocate our resources to support students' needs.

The next Budget Committee meeting is scheduled for Monday, March 25, at 6:30 pm. This meeting will be held at the Central Office, and your attendance and participation are highly encouraged. Meetings can also be accessed online.

During this meeting, the Board will delve into various cost centers, including:

1. *Region 8- Midcoast School of Technology*: Discussing programs and services offered through our regional partnerships.
2. *Athletics*: Reviewing funding for sports programs.
3. *Technology*: Examining investments in technology infrastructure and resources for student learning.
4. *Food Service*: Addressing the budget for providing nutritious meals to our students.
5. *Transportation*: Discussing services for our students to ensure safe and reliable transportation.
6. *Operations and Maintenance of Plant*: Reviewing the budget for maintaining our school buildings and facilities.

These discussions are vital in ensuring that our budget aligns with our educational goals and priorities while also being fiscally responsible.

For those unable to attend in person, we provide access to all budget paperwork and recorded meetings on our website at rsu40.org. We encourage you to utilize these resources to stay informed about the budget process and decisions.

Your input and involvement in these discussions are invaluable, as they directly impact our school community. I urge you to join us on March 25th and be a part of shaping the future of our district.

Thank you for your continued support and commitment to our students' education. If you have any questions or concerns, please contact me at 832-2103.
