During the meeting on April 11, the RSU40 School Board approved a budget with a 4.5% increase over the current year's budget. They are leaving it up to administration to determine where cuts will be made.

The next step is a District Budget Meeting for the public on Tuesday, May 14 at MVHS. At this time, each cost center will be voted on separately and can be amended up or down.

A Budget Validation Referendum at the polls in each town takes place on Tuesday, June 11. This vote will be a simple yes or no on the total approved at the District Budget Meeting.

Informational Budget booklets will be mailed to every household in RSU40 in early May.
