

MILLER SCHOOL

NEWSLETTER - OCT 25, 2024

I can't believe how quickly the beginning of school has gone.

The first trimester will end on Tuesday, November 26. Report cards will be sent home through Parent Square on December 6. In anticipation, Parent-Teacher Conferences are scheduled for Monday, November 4 and Thursday, November 7 from 3:45 -7:00 pm. You should receive a message through Parent Square from your child's teacher about scheduling your conference. If you do not, please contact the teacher.

Conferences are the time to talk about your child's progress and the specific things that he or she needs to work on this year. The teacher will have information about state and district assessments and classroom work. You will also be able to meet with special education teachers and specialists. Please respond promptly to the message about conference information so you get your preferred date and time.

You are an important part of your child's education and together we can work to help your child be successful. If you have any questions or concerns about conferences, please message your child's teacher or call the office at 832-2103. We look forward to seeing you on November 4 or 7.

Getting your child to school every day can be a challenge. But it's one of the most important ways you can help them succeed.

CHILDREN WHO ATTEND SCHOOL REGULARLY ARE MORE LIKELY TO:

- Build lasting, meaningful friendships
- Feel like part of the school community
- Read at grade level
- Pass math assessments

HOW YOU CAN BOOST ATTENDANCE

- ➔ **Share your current contact info with school.**
We're here to help. Stay connected so we can share attendance updates, answer your questions, and connect you to resources.
- ➔ **Make a back-up plan for getting to school on time.**
It's so important to have people in your life who have your back. Ask family, friends, or neighbors to be your school drop-off (or pick-up) back up. And be theirs too!
- ➔ **Champion your child's success.**
Let them know you care about school because when you're excited, they are too. Try tracking and celebrating weekly attendance goals.
- ➔ **Make a going to school routine.**
Write out your plan for a great morning.
