This week our fourth through sixth graders learned hands-only CPR through the American Heart Association. Each year CPR saves hundreds of thousands of Americans who go into cardiac arrest. Our older students now have the knowledge to perform this lifesaving skill. Our kids are also participating in the Kids Heart Challenge so they can teach you CPR and, if they wish, raise money to help the AHA fund research and education line we received this week.

**Pre-K Information:**

We currently have six Pre-K classrooms in our district located at Miller School (2), Union Elementary School (1), Prescott Memorial School (1) and Warren Community School (2). Students attend five full days a week. Each Pre-K class is full when it reaches 16 students.

Friendship students will have the option of being transported to/from Warren or Miller School based on class sizes.

A child must be four years old on or before October 15, 2024, to be eligible to register for Pre-K. Priority will be given to students who live in our school district.

Of our **96** seats, we will begin filling **90** seats on **March 1<sup>st</sup>**, on a first come, first serve basis beginning with students who reside in RSU 40. We will notify out-of-district requests at the beginning of **July 2024**, if we have space available. The remaining students will be placed on a wait list and applications will continue to be collected through **September 3<sup>rd</sup>**, at which time the remaining seats will be filled with priority being given to children who fit into the following eligibility categories:

- **Children with IEPs**
- **Multi-language learners**
- **State agency clients** (Children in foster care, kinship care, or with an open child protective case)
- **Children who are homeless**
- **Free & reduced meal eligibility**
- **Resident of RSU 40**

**A child will not be considered for placement in a class until registration is fully complete including proof of residency, birth certificate and immunization record.**
