WEATHER AT SCHOOL

On Wednesday, April 1st, we will be hosting a visit from a WMTW meteorologist to chat with students about weather, forecasting, and their role as meteorologists in television. This program gives students an open forum to ask questions and is a part of the science standards covered in our curriculum. In addition to the program, grade 1 - 6 students are encouraged to arrive at school at 6 a.m. to participate in the live broadcast from Prescott on the day of the presentation (April 1st). Students that returned signed permission slips will be live on the air to help deliver the bus stop forecast to classmates and family that may be watching from home.

BASEBALL, SOFTBALL & T-BALL SIGNUPS

POSITIVE BEHAVIOR AT PRESCOTT MEMORIAL SCHOOL

At Prescott Memorial School, we focus on a different habit each month as part of our positive behavior program. This month, our habit was: **Synergize. Together is Better.** This Week's focus: **I Work Well in Groups and I Am Humble.** Students who earn a Panda High Five also receive 5 panda points and a feature in our newsletter to celebrate their hard work for the week.

We encourage our students to practice these habits both at school and at home, providing a wonderful opportunity for families to connect and reinforce these values together.

This week's Panda High Five recipients are:

Chase ~ Aurora ~ Annalise ~ Ryker ~ Gage ~ Tyson ~ Ava ~ Colt

Synergize

Together is Better

I VALUE OTHER PEOPLE'S STRENGTHS AND LEARN FROM THEM.

I WORK WELL IN GROUPS AND I AM HUMBLE.

I GET ALONG WELL WITH OTHERS. EVEN PEOPLE WHO ARE DIFFERENT THAN ME.

I SEEK OUT OTHERS' IDEAS TO PROBLEM SOLVE BECAUSE I KNOW BY BECOMING A TEAM, WE CAN CREATE BETTER SOLUTIONS.

ATTENDANCE INCENTIVE

Each week, the class with the best attendance will get the "Attendance Panda" in their room for the week. Last week's winning class was Grade 1.

March 14: Owls of Maine

Start:
End:
March 14, 2026 10:00 am
March 14, 2026 11:00 am

A live owl is the highlight of this program, which introduces participants to the owls native to Maine and New England. Using pictures and sounds, participants will learn the identifying characteristics and calls of each owl. Then, using talons, wings, and skulls, we explore the adaptations of these silent nocturnal hunters. This program ends with an intimate and detailed look at live owls, bringing these creatures of the night into the light!

The Owls
are Coming to Gibbs!

Since 1985, Chewonki has been home to a collection of ambassadors. Birds, reptiles, mammals, and amphibians arrive at our campus with injuries or conditions that prevent their return to the wild. Our teachers are extensively trained and take deep pleasure in making connections with students, and in passing on a lifelong appreciation for the value of wildlife and nature.
