SCHOOL COUNSELING

2026–2027

What does a school counselor do?

ROLE

School counselors support student success through a comprehensive school counseling program that includes:

- Short-term individual and small group counseling
- School counseling classroom lessons
- Consultation and collaboration with families, teachers, administrators and community resources
- Data analysis

SMALL GROUPS

I lead small groups on a variety of topics including friendship skills, feelings regulation, and family changes. Please feel free to reach out if you think your child could benefit from participating. I also frequently run more informal groups known as "Lunch Bunch" that are focused on building community.

About Me

My name is Kayleigh MacFarlane and I am the school counselor at Prescott Memorial School. I received my M.Ed. in School Counseling from Springfield College. I live in Union with my husband, our two kids, and our dog Ginger. For fun, I enjoy hiking, knitting, and baking. I look forward to working with your family this year!
