Free Covid Kits Available

The district has received a limited amount of free Covid tests that are available for staff, parents and community members who would like one. There is no cost for these kits and each test box has 2 kits inside of it. These kits can be given to families who wish to test if their child is sick and they want to rule out Covid. Please contact the school office @ 785-4330 or email allison_davis@rsu40.org if you would like to pick up a kit.

UES would like to send a HUGE thank you to Eliza Petrovitz (Uly D.'s Grandmother) for mending our stage curtains. They were in pretty rough shape and now they look fantastic. Thank you so much Ms. Petrovitz!!!

Mrs. Munro goes to the State House!

Mrs. Munro was invited, as the Knox County Teacher of the Year, to participate in a mock legislature session on Friday, February 9th. 15 out of the 16 county teachers of the year were able to attend. She had to write and deliver a testimony concerning a bill, listen to arguments for and against, and vote for the bill. Hearing many legislators share why they went into politics was one of the best parts. Working with the state staff was also a highlight. It was a grand opportunity to find out how educators can influence policies and bills in Maine.
