Principal's Remarks

I am so proud of our students for doing such a wonderful job performing The Trees Remember, a play highlighting several historical people, places, and events from Union. This production will be one of many examples of how our town will celebrate its 250th anniversary. Students worked hard for over two months under the tutelage of Artist in Residence Scott Dyer, who researched Union's rich history and wrote this creative and unique play. Students sang, played instruments, spoke eloquently, and gained a better understanding of their community. This was a very well attended event enjoyed by approximately 400 people. The students and staff stepped up to make this happen and their contributions really paid off!

Calling all parents!!!

I realize it is late in the year, however it's never too late for a good thing! There have been some recent inquiries about getting our PTC active again. We are shifting our mindset from trying to accommodate the various schedule restrictions people have to setting a date and doing the best business we can with those who can make it. The next meeting is scheduled for May 21st at 6:00PM. We can discuss the current budget and set goals for what we want to accomplish the rest of this year as well as set the table for next year.

Student Feature: Scott Wilson Grade: 6

I like UES because - there are many fun things to do here like the play.

My favorite books include - *Diary of a Wimpy Kid*

I like to watch - Woody Woodpecker and Spongebob.

My favorite singers and bands include - "I really don't listen to any music."

My favorite foods include - cheese pizza

My hobbies include - creating new things, making up ideas, and playing with puppets.

Why I grow up I want to be - an animator.

If I could live anywhere in the world I'd live in Florida.

Students recognized for positive behaviors!!

Our PBIS monthly theme for May is - Responsibility.
I will successfully do my jobs.

Congratulations to the following students for being recognized this week for our targeted positive behavior:

Pre-K and Kindergarten Registration Information for 24/25

Pre-K:

A child must be four years old on or before October 15, 2024, to be eligible to register for Pre-K. Priority will be given to students who live in our school district.

A child will not be considered for placement in a class until registration is fully complete including proof of residency, birth certificate, and immunization record.

Kindergarten:

A child must be five years old on or before October 15, 2024, to be eligible to register for Kindergarten. If your child was already enrolled with the district for Pre-K, you do not need to do a new registration for enrollment for Kindergarten. You will need to do the annual update of Student Information in the fall.

Please note: If you are an existing family of RSU 40 with a student already enrolled in the district and are registering another child, you will register your child through your Campus Portal account and not from here. If you do not have a Campus Portal account, please contact your child's school.
