## Strawbridge Picture Orders

Did you miss ordering fall photos? You can still go to strawbridge.net to order them! Once you get there, choose the red "order now" button. That will take you to a spot to put in the code to order. The code for fall pictures is FM453769. You will need your child's Student ID number. Please call Mrs. Davis at the school to get that information.

## Team Mr. White!

Here at Union Elementary School we want to show our love, appreciation and support to Mr. White for all he has done for our school and the wider Midcoast community over the years. Mr. White has been a teacher, coach, mentor, principal and friend to so many. As you know, Mr. White is battling brain cancer. This is a challenging time for his family as they navigate their new reality. We would like to help support the White family by selling swag! Adventure Advertising is once again supporting our fundraising effort by donating \$10 per item purchased directly to the White family.

By clicking the [Team Mr. White](#) link you will be able to see clothing options (short-sleeve T's, long-sleeve T's and sweatshirts, all in adult or youth sizes) to purchase. There are two options for delivery. 1. Pick up at Adventure Advertising or 2. Delivered to your address. To make things as simple as possible, if you live locally, click "pick up". This eliminates the S/H charge. Your order will be individually packaged, make its way to UES, and you may pick it up here at school. There is a two week turnaround on all orders.

Let's rally around Mr. White and let him know how much he means to us!!

## Students recognized for positive behaviors!!

## Pre-K Pumpkin Exploration

Thank you to Beth's Farm Market for donating the pumpkins, Indian corn and gourds! We appreciate your support to UES.

### Northern Stars Planetarium

Thank you to Northern Stars Planetarium and John Meader for another fabulous visit to UES on November 7th! Each class got to visit the planetarium either once or twice during his time here at our school. Thank you to the Pullen Fund through the Town of Union for funding visits such as this!!

### 3rd Grade Ice Skating

The 3rd graders completed the ice skating program through the MRC last month. The STEP program is an awesome opportunity for kiddos to learn a winter sport! I'm always amazed by how quickly they pick up skating and how much they improve from week to week. Even our most hesitant and timid students were skating without assistance by the end. -Mrs. Stotz
