COLD WEATHER REMINDER

We finally have snow for students to enjoy at recess! Please be sure your child comes to school prepared for outdoor recess. While there are occasional days students spend recess indoors (when the temperature with windchill is below 10 degrees), most days they are outside for 30 minutes at lunchtime. We recommend that all students have appropriate outerwear which includes coats, hats and gloves or mittens. Snow pants and boots are recommended as well. Students wearing snow pants and boots may be on the whole playground; students in boots without snow pants are restricted to the blacktop and playground equipment (at the discretion of the duty people); and students with no snow pants and boots are restricted to only the blacktop. All students are expected to go outside for recess. If you are in need of a coat, snow pants or boots for your child, please contact Mrs. Davis in the school office @ 785-4330.
