## Pre-K and Kindergarten Registration Information for 25/26

### Pre-K:

A child must be four years old on or before October 15, 2025, to be eligible to register for Pre-K. Priority will be given to students who live in our school district. Students attend five full days a week. Each Pre-K class is full when it reaches 16 students. **At this time, the Union Elementary Pre-K program has 11 students fully registered. That only leaves 5 available spots. Please register ASAP if you would like your child to attend Pre-K in the fall!**

**A child will not be considered for placement in a class until registration is fully complete including proof of residency, birth certificate, and immunization record.**

### Kindergarten:

A child must be five years old on or before October 15, 2025, to be eligible to register for Kindergarten. If your child was already enrolled with the district for Pre-K, you do not need to do a new registration for enrollment for Kindergarten. You will need to do the annual update of Student Information in the fall.

**Please note:** If you are an existing family of RSU 40 with a student already enrolled in the district and are registering another child, you will register your child through your Campus Portal account. If you do not have a Campus Portal account, please contact Mrs. Davis in the office @ 785-4330.
