## Pre-Kindergarten and Kindergarten Registration Information for 26/27

### Pre-Kindergarten:

A child must be four years old on or before October 15, 2026, to be eligible to register for Pre-K. Priority will be given to students who live in our school district. Students attend five full days a week. Each Pre-K class is full when it reaches 16 students. Please register ASAP if you would like your child to attend Pre-K in the fall!

**A child will not be considered for placement in a class until registration is fully complete including proof of residency, birth certificate, and immunization record.**

### Kindergarten:

A child must be five years old on or before October 15, 2026, to be eligible to register for Kindergarten. If your child was already enrolled with the district for Pre-K, you do not need to do a new registration for enrollment for Kindergarten. You will need to do the annual update of Student Information in the fall.

Please note: If you are an existing family of RSU 40 with a student already enrolled in the district and are registering another child, you will register your child through your [Infinite Campus Portal](#) account. If you do not have a Infinite Campus Portal account, please contact Mrs. Davis in the office @ 785-4330.

Below is a link from about a free opportunity for students this summer from Teens to Trails, a Maine-based nonprofit dedicated to connecting students to life-changing outdoor experiences.

[Choose Outside Summer Challenge](#)

The Challenge runs from June 15 to August 14 and invites every Maine student to log outdoor activities over the summer, whether that's hitting a local trail, camping under the stars, or simply exploring the woods out back. It's a fun, low-barrier way to help students build outdoor habits that can last a lifetime - and it's completely **free to join**. Participants will have a chance to win outdoor gear through a raffle and additional prizes through a photo contest. Just click on the link for more information and to register.
