

Annual Budget

The Board recognizes that financial resources and the proper management of the same are fundamental to the support of school programs and operations. With this in mind, the Board will develop and present an annual operating budget as directed by applicable laws.

The annual budget will be for a 12-month period covering the fiscal year July 1 through June 30.

The Board will designate the Superintendent as its budget officer, but the Superintendent may delegate portions of such responsibility as appropriate.

Responsibilities of the budget officer are budget presentations and budget administration.
