Principal's Desk

On Monday, March 27, the Budget Committee of the RSU40 School Board heard the last presentations about cost centers. They began discussing the full budget, but delayed a vote to wait for information about insurance costs and negotiations with support staff.

An important piece of their discussion was about a proposed bond to complete vital facilities projects. The bond could include money to renovate and add an addition to Miller School, along with needed upgrades to the parking lot and playground. It also includes money for an upgrade and addition to Medomak Valley High School.

Further discussion on the budget will take place on Monday, April 10 at 6:30 at the Central Office or online. Some information may also be discussed at the scheduled full Board meeting on Thursday, April 6 at MVHS at 7:00.

If you have any questions about the proposed budget or bond, please contact me at 832-2103 or Julia_levensaler@msad40.org.

2023-2024 Pre-K & K Registration

Pre-K Information:

We currently have three Pre-K programs in our district located at Miller School, Union Elementary School, and Warren Community School. At this time, students attend two days a week. Each Pre-K program is full when it reaches 32 students.

Next year we are anticipating expanding our Pre-K programs to four elementary schools: Miller School, Union Elementary School, Warren Community School, and Prescott Memorial School. Students would attend school five full days each week. Union and Prescott would be full when reaching 16 students. Miller and Warren would be full when reaching 32 students. Friendship students will have the option of being transported to one of our other four elementary schools.

The Pre-K expansion plan depends on our school budget passing. We will have a better sense if there will be a five-day-a-week program or will remain the two-day-a-week program that we currently have in Miller, Union, and Warren after our Board budget vote on April 6th. A child must be four years old on or before October 15, 2023, to be eligible to register for Pre-K. Priority will be given to students who live in our school district. We will notify out-of-district requests at the end of May.

Kindergarten Information:

A child must be five years old on or before October 15, 2023, to be eligible to register for Kindergarten. If your child was already enrolled with the district for Pre-K, you do not need to do a new registration for enrollment for Kindergarten. You will need to do the annual update of Student Information in the fall.

Penelope and the Gods of Olympus

This interactive play tells the story of young Penelope Pratt being stranded after dark in her town's local museum of art. Frightened and alone, Penelope finds comfort in surprising friends as the museum's statues magically come to life in the form of Artemis and Apollo. Delightfully weaving Greek myths and the importance of community, this play teaches us how our choices affect ourselves and those around us.
